I've got a few notes in red, but this is really choppy and doesn't tell a quick, compelling story. It needs to call out the impacts of the delay for us, DOE, the other agencies, even the community. Just sent it separately.

Carol, draft talking points that hopefully capture the practical considerations at ORR. Let me know what you think. Thanks, Randall

Can we try to get those done by COB tomorrow....

Send me something when both of you think we have what we need...I do not need to enter "frey" until you both are done with your review/input

Thanks

John
